

The DCPA began affiliated with the Gold Prospectors Association of America, the GPAA. We then began adding mining or treasure seeking education and other charitable activities, such as sending kids with cancer to Camp Millennium and teaching them panning skills.

It was apparent we needed to be separate from the GPAA so the Douglas County Prospectors Association Corporation, better know as the DCPA, was begun. We are Chartered in Oregon as a not for profit, education organization. We still informally act as contact for the GPAA. One need not belong to the GPAA to be a member. However, many are long time members of the GPAA as well as the LDMA and other mining and prospecting organizations.

We hold many outings, projects, trips and activities throughout the year. Every year activities are added with the unpopular and unproductive ones dropped. "The Sluce Box", our monthly newsletter informs the members of these activities as well as other items, sometimes photos, memos, correspondence submitted by members, or a mining article.

**Douglas County Prospectors Association,  
Corporation (Oregon) aka DCPA**

Membership Application: **Please Fill Out form in PENCIL, Sign and Date in INK**  
Changes can be made later without filling out a new form

**General Release of Responsibility**

I, the above named Primary Member release any responsibility of the "Douglas County Prospectors Association also know as the DCPA" and it's Members should I become injured or ill while participating in any DCPA Club function or activity. This release includes the use or lease of any part of mining claim(s) or other property of the DCPA.

It is my intention not to hold responsible any of the Members of the DCPA or the Association.
